Seventh Sunday in Easter – Feast of the Ascension of the Lord.

This Sunday, some dioceses in US celebrate the Feast of the Ascension. Nebraska dioceses celebrated last Thursday. On this day, we celebrated Christ's triumphant return to the Father after perfectly accomplishing His mission on earth. But we also can also view this Feast as a celebration of the "launch day" of our commissioning as Christ's disciples.

The Gospel for this Feast Day, draws our attention to the clear instructions that Jesus gave His disciples (and to us) just before ascending to the Father: "Thus it is written that the Christ would rise from the dead on the third day and that repentance, for the forgiveness of sins, would be preached in his name to all the nations, beginning from Jerusalem. You are witnesses of these things."

Embracing a stewardship way of life, with its emphasis on the use of time, talent and treasure, helps us to live in such a way that our very lives speak as a witness of the Good News of the Gospel. While we take time to reflect and renew our commitments in these three areas annually as a parish family, it is of great benefit to take some time individually throughout the year to take stock of the commitments we have made — looking at both our strengths and our need for continued growth in each area.

On this Feast of our "launch day," take some time to celebrate our victories as Christ's disciples and renew our commitment to remain faithful to Him and the unique mission He has entrusted to us!
